That's our contact info, we invite you to take the next step. We're great to work with!

✓ **DEPTH OF KNOWLEDGE:**

Over sixty years experience serving the Hardware Industry as a plumbing specialist enables us to design and implement complete "turn-key" plumbing programs.

We make custom plan-o-grams for your specific needs from our 5,000+ sku packaged program along with everything else needed to help you create the perfect plumbing department.

✓ **DEPTH OF INVENTORY:**

Lincoln offers immediate availability of literally millions of plumbing products from our 12 strategically located distribution centers. Imagine the special order opportunities!

✓ **MERCHANDISING SOLUTION:**

OEM branded packaging, tri-lingual instructions, color coding, "finder boards", custom plan-o-grams, maximum sku density, custom bin labels, POP aids, store set up assistance – all available!

✓ **SOURCING SOLUTION:**

As the largest plumbing supplier in North America, we are Master Distributors and Direct Importers. We can help you compete.

✓ **REPLENISHMENT SOLUTION:**

48 Hour lead times, industry-leading fill rates, complete EDI and internet ordering protocols. Plus, we break boxes – you buy what you need.

✓ **GENUINE SOLUTIONS:**

Lincoln Products packages Genuine Manufacturer repair parts from the largest faucet and plumbing fixture companies in North America using their graphics, colors, and part numbers in our space efficient sizes and tri-lingual instructions.

The confidence and recognition of brands including American Standard, Chicago Faucet, Delta Faucet, Kohler, Mixet, Moen, Monogram Brass, Price Pfister, Sloan, Zurn, and others combine to increase sales to the consumer as well as the professional – expect 35% gains. No one else can do this.

PLAN-O-GRAM
